# ABOUT OXBAR

OXbar is a rising and fast growing vaping brand, created by the original OXVA team, which is deeply involved for more than 10 years in the e-cigarette industry and has proven technical, marketing and production experience.

Provide excellent service of OEM/ODM, producing professional disposable and closed pod systems. More than 30 experienced R&D members are committed to continuous innovation and reform of disposable products. Established a long-term and stable cooperative relationship with distributors from the United States, the European Union, and Southeast Asia.
